

## G & M Connellan Consultants

*Providing independent and expert advice on urban water management*

### Publications list – G Connellan

#### Selected papers for period 200 to 2008.

**Please contact Geoff Connellan if you would like to obtain copies of these papers. ([geoff.connellan@bigpond.com](mailto:geoff.connellan@bigpond.com))**

(2008) *Decision Support Tool to aid in the Watering Assessment of Melbourne Household Gardens*, Irrigation Australia 2008 Expo and Conference, Melbourne, May 2008.

(2008) *Watering of Street Trees: Theory and Practice*, Irrigation Australia 2008 Expo and Conference, Melbourne, May 2008. Connellan, G. J. & Shears, I.

(2007) *Australia's water usage and efficiencies: Agriculture, golf, sportsfield, parks and gardens*, 23<sup>rd</sup> Australian Turfgrass Conference, Cairns 24-26 July 2007, (Invited - Keynote).

(2007) *Improving irrigation performance through innovation*, 23<sup>rd</sup> Australian Turfgrass Conference, Cairns 24-26 July 2007. (Invited).

(2005) *Water efficiency strategies in our cities – Their impact on urban trees*, Proceedings of International Society of Arboriculture Australian Chapter National Conference, Launceston (October 2005). (Invited – Keynote).

(2005) *Water Management Planning Seminar*, Australian Golf Course Superintendents Association, National Conference. (June 2005) (Invited).

(2005) *Evaluation and benchmarking of urban irrigation*, National Irrigation Conference Townsville, May 2005.

(2005) *Reducing water use in turf and landscape: An assessment of Demand Management Strategies*, SaveWater Seminar, Melbourne, February 2005.

(2004) *Evaluating the performance of urban irrigation*, New Zealand Water & Wastes Association 46<sup>th</sup> Annual Conference, Christchurch, N Z, October 2004.

(2004) *Achieving high irrigation efficiency - A case study RBG Melbourne*, Proceedings of Irrigation Australia National Conference, 12-14 May 2004, Adelaide, S A, Irrigation Association of Australia. Symes, P. and Connellan, G. J

- (2004) *How to evaluate irrigation performance*, Proceedings of Water Management Strategies for Grassed Sporting Surfaces Seminar, 3 March 2004, Burnley Campus, University of Melbourne, p 53-65
- (2004) *Your water management rating: It's time to evaluate*, Golf and Sports turf Australia, Vol 12 No.4 August/September 2004, Glenvale Publications, Mt Waverley, p 24-28
- (2004) *Mulch - the good the bad and the dirty*, Earthstyle, Issue # 6, Autumn 2004, p 32,33
- (2004) *Urban irrigation: It's time to evaluate performance*, Irrigation Australia Journal, Vol 19 No.2 Autumn 2004, Irrigation Association of Australia, p 9-11. Charlton, G. and Connellan, G. J.
- (2004) *Urban irrigation efficiency - Technology options and adoptions*, Irrigation Australia Journal, Vol 19 No.3 Winter 2004, Irrigation Association of Australia, p13-19
- (2004) *Technical Review of Sensor Technology for Permanent Water Saving Measures*, Yarra Valley Water, Victorian Water Authorities, G Connellan, Burnley Campus, University of Melbourne, 29 June, 2004.
- (2003) *Improving water efficiency in nurseries*, Proceedings of Nursery and Garden Industry Association South Australia (NGISA), State Conference, 2003.
- (2003) *Irrigation technology - What will an irrigation system audit tell you?*, Irrigation Australia Journal, Irrigation Association of Australia, Vol 18 No.3 Winter 2003.
- (2002) *Checking the Irrigation System*, Property and Care Journal, Mayne Publishing, Sydney, Vol.2 No.5 January/February, 2002.
- (2001) *Accountable water management*, TurfCraft International, September – October 2001, Issue No.80
- (2000) *Developing water management strategies for urban trees using soil moisture sensors*, Proceedings of American Society of Agricultural Engineers 4<sup>th</sup> Decennial National Irrigation Symposium, Phoenix, Arizona, USA, November, 2000. Connellan, G. J, James, K. & May, P. B.
- (2000) *Soil moisture measurement using a heat pulse soil moisture sensor*, Proceedings of Irrigation Australia 2000 Conference, Melbourne, May, 2000. James, K. and Connellan, G. J.
